BAE SYSTEMS

Conference Description

The 3rd International FOD Prevention conference objective is to make the wider aerospace industry aware of the need to prevent foreign object debris/ damage from our aircraft, airports, runways, manufacturing facilities, flight lines and all aspects of aerospace operations. The conference provides an effective forum for the exchange of ideas, solutions, expertise.

Who should Attend?

Anyone who has an interest in flight safety. This conference attracts major industry representatives from: Airlines, Airports, Cargo Haulers, Aircraft Manufacturing & Repair, Military, Space, Support Industries, and many others from Aviation organizations.

Who should Exhibit?

Anyone who's products or services increase flight safety & FOD prevention. Examples: borescopes, cameras, lights, tools, tool kits/ tool control, FOD detection systems, aircraft protective devices, personal protective equipment, wildlife control, runway sweepers, vacuums, etc... Companies also exhibit to showcase their FOD prevention programs, products and services.

Conference Program?

NAFPI and this year's co-host invite everyone to come to Blackpool and take part in the 3rd International Aerospace FOD Prevention Conference to see the latest FOD prevention techniques, equipment, and technological advancements used in the industry to prevent FOD, promote awareness, and combat a common enemy. Experience two days of facilitated panel discussions, keynote presentations and exhibits. Share proven methods and best practices of preventing FOD throughout the aviation/aerospace industry. FOD can come in many different forms, and produce disastrous effects if not identified and corrected.

Registration Fee:

\$350.00 per person
